

CASE STUDY:

Microsoft Excel Automation PROMEDICA

PROMEDICA

Established in 1986, ProMedica is a mission-based, not-for-profit healthcare organization in northwest Ohio and southeast Michigan that includes nearly 15,000 employees with 12 hospitals, post-acute and rehabilitation services, and nearly 1,700 physicians – with nearly 600 healthcare providers employed by ProMedica Physicians, and Paramount Insurance. Its 12 hospitals and more than 306 facilities offer comprehensive diagnostic, medical and surgical specialties in heart and vascular, oncology, orthopaedics, neurology, and women and pediatric services.

"By using **Spreadsheet Server** we have decreased the amount of time to compile our monthly financial statements and freed up those resources to do more analytical work." Global's staff is exceptionally **knowledgeable** and their attitudes are always **positive**."
