

INK IT Solutions

“Our clients use Atlas for both upload and reporting. They are very happy with the product. Atlas is one of the standard ISV in my mind for future implementations.”

Challenges

Experienced the following reporting pain points prior to implementing Atlas:

- Manual, multi-step reporting processes
- Heavy reliance on IT to create or edit reports
- Creating reports in a timely manner

Use Case

Used Atlas for reporting beyond Financials/GL in the following areas:

- Reports for top management
- Inventory
- Procurement

Chose Atlas over the following tools:

- Management Reporter
- An Excel Add-in

Results

Experienced the following benefits as a result of Atlas:

- Streamlined report creation
- The ability to upload data directly from Excel
