## Global Software, Inc. Announces Corporate Headquarters Relocation and Expansion

RALEIGH, NC USA (13 December 2016) — Global Software, Inc. the leading provider of Microsoft Excel-based automation & reporting software solutions to enhance the world's foremost Business Intelligence (BI), Enterprise Resource Planning (ERP) and operational platforms, is proud to announce today that it has relocated the worldwide corporate headquarters office location. The new location will provide an enhanced platform to serve employees, visitors and customers. The larger, cutting edge space will also allow for additions and employees to add value to the company offering. The new address is 3301 Benson Drive, Suite 201, Raleigh, NC 27609.

“We are ecstatic to be expanding and relocating our corporate headquarters to a state-of-the-art high-tech facility,” stated Spencer Kupferman, President & CEO, Global Software, Inc. “This significant investment we are making in our brick & mortar expansion is a clear message we are sending to our loyal and committed employees, customers, partners, the Research Triangle Region and the market, that we are in the process of realizing our growth vision and goals. The Spreadsheet Server platform is the recognized solution across the globe for Excel automation and reporting, our new headquarters give us additional space and capabilities to support our growing business and thriving brand.”

All other contact information, such as email addresses and web address remains the same. To celebrate the expansion, Global Software, Inc. will be hosting a ribbon cutting ceremony in the office lobby on December 15, 2016 at 4 PM EST.

### ABOUT GLOBAL SOFTWARE, INC.

Global Software, Inc. is the leading provider of Microsoft Excel-based automation & reporting software solutions to enhance the world's foremost Business Intelligence (BI), Enterprise Resource Planning (ERP) and operational platforms. The Company's flagship offering, Spreadsheet Server streamlines data analytic processes and bridge the operational gap between Company data and reporting, resulting in timely and cost saving secure financial and operational reporting, budgeting, and automated report delivery. With best-in-class solutions, their Dynamic Spreadsheet Methodology (DSM), a highly scalable and efficient operating platform, and a strong track-record of success, Global Software, Inc. has grown to be the most dominant provider in Excel automation and data analysis.
