Calloway's Nursery Inc. Selects Global Software, Inc's Spreadsheet Server Platform for use with Epicor®

RALEIGH, NC USA (16th May, 2016) – Global Software, Inc. the leading provider of Microsoft Excel-based automation & reporting software solutions to enhance the world's foremost Business Intelligence (BI), Enterprise Resource Planning (ERP) and operational platforms, announces today that Fort Worth, Texas based company, Calloway's Nursey Inc., has selected Spreadsheet Server for use with Epicor®. Spreadsheet Server works as an intuitive, Excel based reporting platform, providing live financial and operational reporting and analysis from Epicor into Excel. This empowers end users with the ability to use familiar Excel features and functions to create dynamic dashboard views from Epicor. These views can be accessed, automated and presented with our formula driven methodology, including summary balances and detailed drill-downs. In addition, Calloway's Nursey will leverage the Distribution Manager publishing utility, which empowers users to automate the delivery of key business information.

Calloway's Nursery Inc. began in 1986 with Jim Estill, John Cosby and John Peters, united by their mutual love of the garden center trade. With a vision to expand the offerings at nurseries, they opened four Calloway's Nursey stores providing 60,000 bedding plants. Today the company operates 18 stores and employs more Texas Master Certified Nursey Professionals than any other retail organization. More information can be found at <http://calloways.com/>.
