## Farouk Systems, Inc. Selects Global Software, Inc.'s Spreadsheet Server for use with SAP®

RALEIGH, NC USA (31st August, 2015) – Global Software, Inc., the No. 1 provider of Microsoft® Excel-based automation and reporting tools to the leading enterprise resource planning (ERP) platforms, announces today that Farouk Systems, Inc., headquartered in Houston, Texas, has selected Global's Spreadsheet Server for use with SAP® powered by the QueryExchange™. Spreadsheet Server works as an intuitive, Excel based reporting platform, providing live financial and operational reporting and analysis from SAP into Excel. This empowers end users with the ability to use familiar Excel features and functions to create dynamic dashboard views from SAP. These views can be accessed, automated and presented with our formula driven methodology, including summary balances and detailed drill-downs. In addition, Farouk Systems, Inc. will leverage the Distribution Manager publishing utility, which empowers users to automate the delivery of key business information.

Farouk Systems, Inc. manufactures high quality professional hair care products with major brands including CHI® and BioSilk®. Their mission is to provide the professional beauty industry with the most advanced American technology based upon 'Education, Environment and Ethics'.
