## Hathaway Dinwiddie Construction Company Selects Global Software, Inc.'s Spreadsheet Server Platform for use with Viewpoint®

RALEIGH, NC USA (4th February, 2016) – Global Software, Inc. the leading provider of Microsoft Excel-based automation & reporting software solutions to enhance the world's foremost Business Intelligence (BI), Enterprise Resource Planning (ERP) and operational platforms, announces today that San Francisco, CA based company, Hathaway Dinwiddie Construction Company has selected Spreadsheet Server for use with Viewpoint®. Spreadsheet Server works as an intuitive, Excel based reporting platform, providing live financial and operational reporting and analysis from Viewpoint into Excel. This empowers end users with the ability to use familiar Excel features and functions to create dynamic dashboard views from Viewpoint. These views can be accessed, automated and presented with our formula driven methodology, including summary balances and detailed drill-downs. In addition, Hathaway Dinwiddie Construction Company will leverage the Distribution Manager publishing utility, which empowers users to automate the delivery of key business information.

Having just celebrated a century in business, Hathaway Dinwiddie Construction Company, strives to blend its deep experience with the most current technologies in its building practices. They pride themselves in their experience, workmanship and collaboration, completing jobs from skyline defining high rises, historical cathedrals to cutting edge research facilities.
