KidsPeace Selects Global Software, Inc.' s Spreadsheet Server Platform for use with Infor Lawson®

RALEIGH, NC USA (3rd March, 2016) – Global Software, Inc. the leading provider of Microsoft Excel-based automation & reporting software solutions to enhance the world's foremost Business Intelligence (BI), Enterprise Resource Planning (ERP) and operational platforms, announces today that Schnecksville, PA based company KidsPeace has selected Spreadsheet Server for use with Infor Lawson®. Spreadsheet Server works as an intuitive, Excel based reporting platform, providing live financial and operational reporting and analysis from Infor Lawson into Excel. This empowers end users with the ability to use familiar Excel features and functions to create dynamic dashboard views from Infor Lawson. These views can be accessed, automated and presented with our formula driven methodology, including summary balances and detailed drill-downs. In addition, KidsPeace will leverage the Distribution Manager publishing utility, which empowers users to automate the delivery of key business information.

KidsPeace is a private charity dedicated to serving the behavioral and mental health needs of children, families and communities. Founded in 1882, KidsPeace provides a unique psychiatric hospital; a comprehensive range of residential treatment programs; accredited educational services; and a variety of foster care and community-based treatment programs to help people in need overcome challenges and transform their lives. KidsPeace provides emotional and physical health care and educational services in an atmosphere of teamwork, compassion and creativity. More information can be found at <http://kidspeace.org/>.
