

## Nesher Israel Cement Enterprises Ltd. Selects Global Software, Inc.'s Spreadsheet Server for use with Oracle®

RALEIGH, NC USA (30<sup>th</sup> JANUARY 2012)– Global Software, Inc., the official author of the Automation Road Map Strategy™ and the number one provider of Microsoft® Excel-based automation and analysis tools to the leading enterprise resource planning (ERP) platforms, announces today that Nesher Israel Cement Enterprises Ltd., with headquarters in Ramla, Israel has selected Global's Spreadsheet Server for use with Oracle® powered by the QueryExchange™. Spreadsheet Server works as an intuitive Microsoft® add-in providing live reporting and analysis from Oracle into Excel. This empowers end users with the ability to use familiar Excel features and functions to create dynamic dashboard views from Oracle. These views can be accessed, automated and presented with our formula driven methodology, including summary balances and detailed drill-downs. The cloud-based QueryExchange™ component of Spreadsheet Server enables user organizations to select and tailor pre-built queries to meet their specific needs. Utilized in the QueryExchange™, the SmartPak™ feature is way to group pre-configured queries together. Searching by selecting a SmartPak™ gives users a quick and reliable way to access a group of dedicated pre-defined queries. In addition, Spreadsheet Server has the ability to dynamically access the following modules: Accounts Receivable, Accounts Payable, Fixed Assets, Inventory, Projects, OPM and more. In addition, Nesher Israel Cement will leverage the Distribution Manager utility, which empowers users to automate the delivery of key business information.

Nesher Israel Cement Enterprises Ltd., Israel's sole producer of cement has led the country's building sector for over 80 years. Since its establishment, the company has become a major force in Israeli industry through the high quality of its products and its commitment to customers and the environment. Nesher supplies most of the cement needs of Israel and the Palestinian Authority and also exports cement and clinker. The company has three plants located in Haifa, Ramla and Har Tuv. The company's flagship plant in Ramle near Tel Aviv is one of the world's largest and leading factories in terms of production capacity, advanced production technology and preserving the environment.
