

CORPORATE ANNOUNCEMENTS

PennTex Midstream Partners, LLC Selects Global Software, Inc.'s Spreadsheet Server for use with SAP®

RALEIGH, NC USA (21th August, 2015) – Global Software, Inc., the No. 1 provider of Microsoft® Excel-based automation and reporting tools to the leading enterprise resource planning (ERP) platforms, announces today that PennTex Midstream Partners, LLC, headquartered in Houston, Texas, has selected Global's Spreadsheet Server for use with SAP® powered by the QueryExchange™. Spreadsheet Server works as an intuitive, Excel based reporting platform, providing live financial and operational reporting and analysis from SAP into Excel. This empowers end users with the ability to use familiar Excel features and functions to create dynamic dashboard views from SAP. These views can be accessed, automated and presented with our formula driven methodology, including summary balances and detailed drill-downs. In addition, PennTex Midstream Partners, LLC will leverage the Distribution Manager publishing utility, which empowers users to automate the delivery of key business information.

PennTex Midstream Partners, LLC, part of the natural gas industry, is the link between the exploration and production of natural gas. They deliver natural gas and its other components to industrial, commercial and residential users. PennTex creates value at various stages along the natural gas value chain by gathering and processing natural gas and natural gas liquids for delivery to transmission lines and ultimately the end-markets.
