Tennessee Board of Regents Selects Global Software, Inc.'s Spreadsheet Server platform for use with Banner®

RALEIGH, NC USA (23rd August, 2016) — Global Software, Inc. the leading provider of Microsoft Excel-based automation & reporting software solutions to enhance the world's foremost Business Intelligence (BI), Enterprise Resource Planning (ERP) and operational platforms, announces today that Nashville, Tennessee based, Tennessee Board of Regents (TBR) system, consisting of 46 institutions with a combined annual enrollment of nearly 200,000 students, has selected Spreadsheet Server for use with Banner®. Spreadsheet Server works as an intuitive, Excel based reporting platform, providing live financial and operational reporting and analysis from Banner into Excel. This empowers end users with the ability to use familiar Excel features and functions to create dynamic dashboard views from Banner. These views can be accessed, automated and presented with our formula driven methodology, including summary balances and detailed drill-downs. In addition, TBR will leverage the Distribution Manager publishing utility, which empowers users to automate the delivery of key business information.

The TBR systems governs, manages, and controls the State University and Community College System of Tennessee. Consisting of 46 institutions, TBR is ranked among the nation's largest systems of public higher education. TBR's six state universities, 13 community colleges, and 27 colleges of applied technology offer classes in almost all of Tennessee's 95 counties. The Board of Regents views itself as the responsible agency for purposes and proposals of the System subject only to legislatively mandated review. The system is governed by 18 board members. The board sets policies and guidelines that govern all TBR institutions. All board meetings are open to the public and the press as observers under Tennessee law.
