

Tyco Electronics Subsea Communications LLC Selects Global Software, Inc.'s Spreadsheet Server for use with Oracle®

RALEIGH, NC USA (6th July, 2015) — Global Software, Inc., the No. 1 provider of Microsoft® Excel-based automation and analysis tools to the leading enterprise resource planning (ERP) platforms, announces today that Tyco Electronics Subsea Communications LLC, headquartered in Eatontown, New Jersey, has selected Global's Spreadsheet Server for use with Oracle® powered by the QueryExchange™. Spreadsheet Server works as an intuitive, Excel based reporting platform, providing live financial and operational reporting and analysis from Oracle into Excel. This empowers end users with the ability to use familiar Excel features and functions to create dynamic dashboard views from Oracle. These views can be accessed, automated and presented with our formula driven methodology, including summary balances and detailed drill-downs. In addition, Tyco Electronics Subsea Communications LLC will leverage the Distribution Manager publishing utility, which empowers users to automate the delivery of key business information.

Tyco Electronics Subsea Communications LLC, is an industry pioneer in undersea communications technology and marine services and a leading global supplier for today's undersea communications requirements.
