

CORPORATE ANNOUNCEMENTS

UNICOR, Federal Prison Industries, Inc. Selects Global Software, Inc.'s Spreadsheet Server Platform for use with SAP®

RALEIGH, NC USA (8th March, 2016) – Global Software, Inc. the leading provider of Microsoft Excel-based automation & reporting software solutions to enhance the world's foremost Business Intelligence (BI), Enterprise Resource Planning (ERP) and operational platforms, announces today that Washington, DC based organization UNICOR, Federal Prison Industries, Inc. has selected Spreadsheet Server for use with SAP®. Spreadsheet Server works as an intuitive, Excel based reporting platform, providing live financial and operational reporting and analysis from SAP into Excel. This empowers end users with the ability to use familiar Excel features and functions to create dynamic dashboard views from SAP. These views can be accessed, automated and presented with our formula driven methodology, including summary balances and detailed drill-downs. In addition, UNICOR will leverage the Distribution Manager publishing utility, which empowers users to automate the delivery of key business information.

UNICOR, Federal Prison Industries, Inc. was established in 1934 by an Executive Order issued from President Roosevelt. The program exists to protect society, reduce crime, aid in the security of the Nation's prisons and decrease taxpayer burden, by assisting inmates with developing vital skills necessary for successful reentry to society. Through the production of market-priced quality goods and services, FPI provides job training and work opportunities to inmates, while minimizing impact on private industry and labor.
