

Washington County, WI Chooses Global Software, Inc.'s Spreadsheet Server for use with JD Edwards®

RALEIGH, NC USA (4th April, 2014) — Global Software, Inc., the official author of the Automation Road Map Strategy™ and the number one provider of Microsoft® Excel-based automation and analysis tools to the leading enterprise resource planning (ERP) platforms, announces today that Washington County, WI, located in West Bend, WI has selected Global's Spreadsheet Server for use with JD Edwards® powered by the QueryExchange™. Spreadsheet Server works as an intuitive Microsoft® add-in providing live financial reporting and analysis from JD Edwards into Excel. This empowers end users with the ability to use familiar Excel features and functions to create dynamic dashboard views from JD Edwards. These views can be accessed, automated and presented with our formula driven methodology, including summary balances and detailed drill-downs. In addition, Washington County will leverage the Distribution Manager publishing utility, which empowers users to automate the delivery of key business information.

Washington County provides an interesting atmosphere for family living, business, and industry with the gentle rolling landscape carved by the glaciers and towered by the historical landmark of Holy Hill. Washington County has well-known major manufacturing industries including: machine tooling, metal fabrication, printing, pharmaceutical distribution, photo finishing, and trucking.
