

AMY COLLIER PROMOTED TO VICE PRESIDENT, WORLDWIDE MARKETING FOR GLOBAL SOFTWARE, INC.

RALEIGH, NC USA (30 January 2018) — Global Software, Inc. the leading provider of Microsoft Excel-based automation & reporting software solutions to enhance the world's foremost Business Intelligence (BI), Enterprise Resource Planning (ERP), and operational platforms, announces that Amy Collier has been promoted to Vice President, Worldwide Marketing.

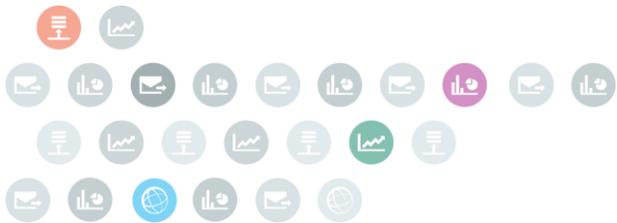

“During her tenure at Global Software, Amy Collier has put together the most comprehensive and diverse marketing plan in the company’s history,” said Spencer Kupferman, President and CEO of Global Software, Inc. “Amy has a very keen and acute understanding that marketing’s ultimate function is lead generation and support, serving to offer up the best opportunities we can find in the market for our sales team. Marketing has become a lynchpin and critical driving force behind our successes on the sales front, and Amy has been the consummate champion of the marketing transformation that has taken place.”

Collier joined Global Software in 2008 as Marketing Events Coordinator. Two years later, she was promoted to Manager, Corporate Marketing Strategies and tasked with building a full marketing team. On January 1, 2016, Collier became Director, Marketing Communications & Strategy, presiding over the transformation of the Spreadsheet Server brand and the later addition of Atlas for Dynamics in 2017. Prior to Global Software, Collier served as Unit Marketing Specialist and Marketing Communications Specialist for Sodexo.

“It has been very exciting to oversee the advancement of the capabilities of the marketing team. I am very humbled and privileged to have spent the last 10 years at this organization,” said Amy Collier, Vice President, Worldwide Marketing of Global Software, Inc. “I look forward to our future successes and continued expansion and growth.”

ABOUT GLOBAL SOFTWARE, INC.

Global Software, Inc. is the leading provider of Microsoft Excel-based automation and reporting software solutions to enhance the world’s foremost business intelligence (BI), enterprise resource planning (ERP) and operational platforms. The company’s flagship offerings, Spreadsheet Server and Atlas, bridge the operational gap between company data and reporting, resulting in resource savings and streamlined data analytic processes in a secure environment. With best-in-class solutions, Global Software, Inc. has grown into the most dominant provider of Excel reporting automation in the world. Founded in 1973 and headquartered in the Research Triangle region of Raleigh, NC, Global Software’s products are used by over 5,000 customers in 70 countries.
