

Steve Carnevale Joins Global Software, Inc. as Chief Financial Officer

RALEIGH, NC USA (16 June 2017) — Global Software, Inc. the leading provider of Microsoft Excel-based automation & reporting software solutions to enhance the world's foremost Business Intelligence (BI), Enterprise Resource Planning (ERP) and operational platforms, announces that Steve Carnevale has joined the company as Chief Financial Officer. A CPA, Carnevale brings with him more than 30 years' experience in financial management, operational responsibilities, and business analysis including strategic planning, financial modeling and reporting, mergers and acquisitions, and fundraising activities.

“The Board of Directors conducted a wide and extensive search for our CFO position. We had many accomplished and respected financial executives from across the country vie for this position. Steve was selected because he is a seasoned and exceptionally talented financial executive with extensive experience leading growing technology companies and software businesses,” said Phil Sandy, Chief Operating Officer, Global Software, Inc. “His broad experience in enterprise software and other technology based companies makes him a superb choice for Global Software, Inc.”

Prior to joining Global Software, Inc., Carnevale served as CFO for Advanced Animal Diagnostics, a venture-backed biotechnology company providing diagnostics and information to the livestock industry. He has held numerous executive management roles at several companies including Geomagic, LVL7 Systems, and various start-ups. In 2009, Business Leader magazine honored Steve with the Movers and Shakers Award, an annual award that recognizes up-and-coming business leaders in the Raleigh-Durham area.

“The Spreadsheet Server and Atlas platforms have experienced tremendous successes over the years. These Excel platform juggernauts are uniquely positioned as market leaders and I am honored and proud to join the most accomplished team in the history of the Excel Automation space.” Carnavale continued, “I am looking forward to leveraging my skill set as a financial leader and communicator to work hand in hand with our Senior Management team and Board of Directors to meet the financial goals of Global Software, Inc.”
